It's Time for a Chupp Agency Update

Also known as a Chupp-Date

Chupp Insurance Agency would like to thank our clients for their patience and to praise our Lord for his protection as we have traversed the Covid-19 Pandemic. We did our best to keep our staff safe and healthy and honor the government orders all while continuing to serve our clients as it has also been a trying time for all of you. We will continue to offer our best efforts going forward, and we pray God's continued blessing on us all.

In the midst of this pandemic, our agency still has lots of exciting changes to announce. Sharon Schaeffer, our long time clerical and accounting staff member, retired in March 2020! Sharon set a very high standard: being a godly, caring, experienced and efficient worker. She was a pleasure to work with and has been missed. We are pleased for Sharon and her husband, Larry, to enjoy retirement together.

Rebecca VanDosen, Rodney Chupp's daughter, left her position in Accounts Payable to better serve Southwest Michigan Youth for Christ with her husband, Chad. Together they have agreed to become directors at YFC and have had wonderful success presenting the Gospel to many in the public schools of SW Michigan. (Four youth prayed for salvation just two nights ago!) While we miss Rebecca's presence at the office, we fully understand and support her call to youth ministry.

Heidi Metzger, who worked with us many years ago, has returned to Chupp Agency! Heidi previously served as a Customer Service Representative, but is now fulfilling a combined role meeting the needs created by Sharon and Rebecca's departures. We couldn't be more pleased to have Heidi back with us after a 19 year break to raise her family.

Speaking of raising a family, Rebecca is also redirecting some of her time to being a new mother. This means that Rod has become a grandfather and Randy a great-grandfather - a term he says is finally confirmed. Eden Summer VanDosen (pictured) was born on August 23rd weighing 7lbs 11 oz and was 19.5" long. She is healthy and well and the entire family is pleased to have her with them. True to her name, Eden is a joyous blessing to all who are learning to know her.

This has also been a year of anniversaries here at our agency. In May, Chupp Insurance Agency celebrated 60 years of service and we are so grateful for the many years of business with which God

has blessed our agency. Rodney Chupp achieved 30 years of service in June and looks forward to many more. Finally, Stephanie Weaver, our Claims and Customer Service Rep, reached 20 years of service in April. We are so thankful for all the hours she has given to the agency and the grace and kindness with which she has served our clients.

As we approach the end of 2020, we want to express our appreciation in working with so many who carry out the Great Commission to take the Gospel to the ends of the earth. Through whatever God has in store for us during 2021, we will continue to hold up your arms in ministry just as Aaron and Hur held up the arms of Moses. It is our calling and our pleasure.

We wish you all a Merry Christmas and a Happy New Year!
